

The Good Life

Three Days Grace

The good life is what I need
Too many people stepping over me
The only thing that's been on my mind
Is the one thing I need before I die

All I want is a little of the good life
All I need is to have a good time, oh, the good life
All I want is a little of the good life
All I need is to have a good time, oh, the good life
The good life

I don't really know who I am
It's time for me to take a stand
I need a change and I need it fast
I know that any day could be the last

All I want is a little of the good life
All I need is to have a good time, oh, the good life
All I want is a little of the good life
All I need is to have a good time, oh, the good life

Hold on, hold on, I always wanted it this way
(I never wanted it this way)
Hold on, hold on, I always wanted it this way
(We didn't ask for it this way)
I always wanted it this way

The good life
All I want is a little of the good life
All I need is to have a good time, oh, the good life
All I want is a little of the good life
All I need is to have a good time, oh, the good life
The good life
