## **Time of Dying**

## **Three Days Grace**

On the ground I lay Motionless in pain I can see my life flashing before my eyes Dead I fall asleep Is this all a dream Wake me up, I'm living a nightmare

I will not die (I will not die) I will survive

I will not die, I'll wait here for you I feel alive, when you're beside me I will not die, I'll wait here for you In my time of dying

On this bed I lay Losing everything I can see my life passing me by Was it all too much Or just not enough Wake me up, I'm living a nightmare

I will not die (I will not die) I will survive

I will not die, I'll wait here for you I feel alive, when you're beside me I will not die, I'll wait here for you In my time of dying

I will not die, I'll wait here for you I feel alive, when you're beside me I will not die, I'll wait here for you In my time of dying I will not die, I'll wait here for you I feel alive, when you're beside me I will not die, I'll wait here for you In my time of dying
