

# World So Cold

Three Days Grace

I never thought I'd feel this  
Guilty and I'm broken down inside  
Livin' with myself  
Nothing but lies

I always thought I'd make it  
But never knew I'd let it get so bad  
Livin' with myself  
Is all I have

I feel numb  
I can't come to life  
I feel like I'm frozen in time

Livin' in a world so cold  
Wasting away  
Livin' in a shell with no soul  
Since you've gone away  
Livin' in a world so cold  
Counting the days  
Since you've gone away  
You've gone away

Do you ever feel me  
Do you ever look deep down inside  
Starin' at yourself  
Paralyzed

I feel numb  
I can't come to life  
I feel like I'm frozen in time

Livin' in a world so cold  
Wasting away  
Livin' in a shell with no soul  
Since you've gone away  
Livin' in a world so cold  
Counting the days  
Since you've gone away  
You've gone away from me

I'm too young to lose my soul  
I'm too young to feel this old  
For so long I'm left behind  
I feel like I'm losing my mind

Do you ever feel me  
Do you ever look deep down inside  
Starin' at your life  
Paralyzed

Livin' in a world so cold  
Wasting away  
Livin' in a shell with no soul  
Since you've gone away  
Livin' in a world so cold  
Counting the days

Since you've gone away  
You've gone away from me

I'm too young  
I'm too young
