

## Black and White

### Three Dog Night

The ink is black  
The page is white  
Together we learn to read and write  
The child is black  
The child is white  
The whole world looks upon the sight  
The beautiful sight

And now a child can understand  
That this is the law of all the land  
All the land

The world is black  
The world is white  
It turns by day and then by night  
The child is black  
The child is white  
Together they grow to see the light  
To see the light

And now at last we plainly see  
We'll have a dance of liberty... liberty  
The world is black  
The world is white  
It turns by day and then by night  
The child is black  
The child is white  
The whole world looks upon the sight  
The beautiful sight

The world is black  
The world is white  
It turns by day and the by night  
The child I'd black  
The child is white  
Together they grow to see the light  
To see the light
