## Sunlight

## **Three Dog Night**

Have you seen the sunlight pouring through her hair And felt her warm mouth on ya in the summer's air? Running in a field of brown, laughing, rolling on the ground no W Smiling as she pulls you down That's the way she feels about you That's the way she feels about you If your dreams should wake you, shaking in the night She can touch your face and take away all fright Like a tree in a meadow wind, she will bend to take you in Makes no difference where you been That's the way she feels about you That's the way she feels about you, yeah If you wake up screaming, scared about what you're dreaming You know she is there, she can share You're aware she cares about you In the morning, wake up laughing with the day She will smile and ask you with her eyes to stay Like the sunshine warms the sand She will touch you with her hand now Touching makes you understand That's the way she feels about you That's the way she feels about you If you wake up screaming, scared about what you're dreaming You know she is there, she can share You're aware she cares about you In the morning, wake up laughing with the day She will smile and ask you with her eyes to stay Like the sunshine warms the sand She will touch you with her hand now Touching makes you understand Oh, that's the way she feels about you That's the way she feels about you, yeah That's the way she feels about you That's the way she feels about you
