

Make Yourself

Three Years Hollow

i've been watching this world change
you waste away your life in vein
so give it me, it's what you've really been waiting for
never letting myself give in to what you are
don't want to waste all your time giving yourself to me
no way to open myself this time

you don't need to wash away the tears from your eyes
you've seen me wash away those years from my life

so it's time to walk alone
to hide and run away
and i don't want to see your face
i'll go blind
when there's no where else to go
to make yourself this way
and i don't want to see your face

i know they left me here this time
alone with nothing left to hide
so give it to me it's what you've really been waiting for
i'm not turning away from you anymore
don't want to waste all your time giving yourself to me
no way to open myself this time

you don't need to wash away the tears from your eyes
you've seen me wash away those years from my life
