

# She Must Think I'm Crazy

Thriving Ivory

Is it over for us  
Have we spent all we have  
Is it all in my head  
Cause it's driving me insane  
I want something real to happen, something pure and out of my hands  
Cause you lift me up, oh yeah, when you cut me down to size

I've decided I won't change  
No I won't change for you  
I've decided to look out for myself  
But you make it so hard to do  
So go on and paint a picture in my mind  
I'll do the best I can to forget

And you lift me up, oh yeah  
I try to tell myself forget it, she's not really worth it  
And I swear to God I think I'm losing my mind over nothing at all  
I guess it's true, maybe this world was just not meant for me  
She must think I'm crazy, oh she must think I'm crazy, yeah yeah  
She must think I'm crazy

I take a drive in my car  
I thought I'd try to clear my mind  
Now is your house that far  
I thought I'd stop and say hello  
Now I know it's not good for me  
So I drive on with my head high

And you lift me up, oh yeah  
I try to tell myself forget it, she's not really worth it  
And I swear to God I think I'm losing my mind over nothing at all  
I guess it's true maybe this world was just not meant for me  
She must think I'm crazy, She must think I'm crazy yeah  
Oh she must think I'm, she must think I'm  
I try to tell myself forget, she's not really worth it  
And I swear to God I think I'm losing my mind over nothing at all  
I guess it's true maybe this world was just not meant for me  
She must think I'm crazy
