

## Blood On The Floor

Throbbing Gristle

I've got to tell you  
It's that blood, blood on the floor  
It's that blood, blood on the floor  
It's that blood, blood on the floor  
It's that blood, blood on the floor

At the little school I went out  
I broke the rules  
School bully with his  
Crew cut and his big shoulders  
Telling me I was a pansy  
Just like always  
Blood on the floor  
Blood on the door, door
