Still Walking

Throbbing Gristle

Still walking Share of thee water In its element Like all of us Like a book Spell of semen Wall of silence Or too This end Or all of us He said All of us do it Each time asleep Each time he said Especially again Especially item The totem was his The uncle was his Every time it fell open At the same ritual Ever time she said The words he cried And no one saw That's how it is He said That's the whole problem Each time She said
