Subhuman

Throbbing Gristle

Subhuman Subhuman!

I see you grunting
I see you grunting

Subhuman Subhuman!

I see you grunting
I see you grunting

In the gutter
In the gutter

Subhuman Subhuman

You're like a virus in my body
Subhuman Subhuman

Subhuman Subhuman

You're like a virus in my body

Subhuman Subhuman

Subhuman Subhuman
Drinking dirty water, to make you clean
Subhuman Subhuman

Subhuman Subhuman
Subhuman Subhuman

You make me dizzy with your disease
I want to smash you and feel at ease

Subhuman
Subhuman
Subhuman
Subhuuuuuuuuumaaaaaaaan

Subhuman Subhuman

I see you grunting
I see you grunting

Subhuman Subhuman!

I see you grunting
I see you grunting

You're like a virus, a stinking virus

In the gutter

Subhuman subhuman
