## **Hollow Reflection**

## **Throes Of Dawn**

Deeper thoughts unknown to hope lightyears of drowning into the cosmos of the lonely I was lost from your world into the mazes of delusion into the vast halls of the Night

Did you see me enter the rooms of the night Did you see me enter your fragile dreams

Violent visions in a broken mind Feed me with illusions Attire me with your darkness Under the rain of falling knives I see you lying there open in the ruins of the dying future

Did you see my hollow reflection Did you sense my fathomless void

I saw myself there, In a sudden, feverish moment watching your lifeless body in a cold future morning:
