

Abyss Of The Underground

Throneum

church of judas and kain
serpent's crown
insurrection of medusa
damnation of the forever damned ones
immortal dungeon chapel
build by the hands of the dead
mutilated poets and heroes
vanity of the underworlds

gods - the fallen ones
gods - he forgotten ones
legions of forgotten beings
gathered and bewitched in stone abyss
abyss of the underground - be glorified
abyss of the underground - streams of lava and evil
eruptions, explosions and fire
lords of death and liquid metal
sculptors of souls, conjurer of flames
detestable legions of the underworlds
