

Deathlust

Throneum

Deathlust...

Panzer divisions of Ashur

Ruins, dust and rivers of blood remain

Skinned usurpers

All enemies impaled

Deathlust...

For the glory of Ashur

God of the gods, humans and the earth

Days of glory of Nineveh and Kaichu

Holy cities of the holy nation

Emperors of Four Corners of the World

Imperium of fright and horror

Famine for blood, divisions are still ready

To bring the name of Ashur and get next madattu
