

Condemned to Live

Throwdown

War wages inside, violent disorder between heart and mind
Scorn sutures my eyes, eviscerating me of strength and pride
Condemned to live, to live with what I am
Condemned to live, to live with what I've done

Save me from life
Cleanse me of despair, save me from life
Cleanse me of remorse and fear
Liberate me from my mortal enemy
Liberate me from myself

Pain, paralyzing
Sentenced to carry these crosses of stone
Weight, unforgiving
Broken faith under splintering bone

Save me from life
Cleanse me of despair, save me from life
Cleanse me of remorse and fear
Liberate me from my mortal enemy
Liberate me from myself
Save me from life
