```
A feeli-I-I-ing
A feeli-I-I-ing
I never could see anyone besides you
Believe it or not (probably not)
A feeli-I-I-ing
A feeli-I-I-ing
Something? when it's something little
And you just wanted something to do
A feeli-I-I-ing
A feeli-I-I-ing
A-oh-oh-whaa...
Sight scent sense sound touch (taste you)
Sight scent sense sound touch (taste you)
(One time sight mind touch you)
A feeli-I-I-ing
Sight scent sense sound touch (taste you)
A feeli-I-I-ing
I never could see anyone besides
Besides you (probably not)
A feeli-I-I-ing
Sight scent sense sound touch (taste you)
A feeli-I-I-inq
A-oh-oh-whaa...
```
