

## Backroad

## Throwing Muses

One, two, three, four  
how many, many people outside your door?  
two, three, four, five  
how many, many people outside?  
four, three, two, one  
i don't think you can hold your own  
five, six, seven, eight  
i don't think you can save your face  
you don't say no  
he dunk the backboard  
and he sleep on the couch  
he jump the backseat  
and he sleep on the couch  
he drive the backroad,  
he drive the backroad  
and he sleep  
you're a pusher  
spy in a bath  
we make us move  
like some kind of bath  
come when you need some  
come when you need some  
you're a pusher
