Throwing Muses

Catch catch catch catch catch catch catch
Catch a bullet in your teeth.
I put my head in the sand oh boy, oh boy, oh boy
Hi
Bad, big bridges. Big, big buildings Blue boy
It's raining out here
It's freezing out here
Catch a bullet in your head.
I'll put my teeth in the sand oh boy, oh boy, oh boy.
Uh, rain
Bad, big bridges Big, big buildings Blue boy
The tears from one eye fall into the other
It's taxing out here.
