

Clear And Great

Throwing Muses

Your eyes so clear
That your face goes on and on
Its lasts a long, long time
You could be very easy . . .
The beast within
Can I come to your house?
I love to dance
I got this fear f-f-f
Of rejection; I can't call you
Look at me!
You could be very happy . . .
Tongue
You make my face, too
Thunder and lightning
You could be very easy . . .
Your eyes so clear
And your face goes on and on
It lasts a long, long time!
Clear and great
Clear and great
Great.
