

## Clear And Great

### Throwing Muses

Your eyes so clear  
That your face goes on and on  
Its lasts a long, long time  
You could be very easy . . .  
The beast within  
Can I come to your house?  
I love to dance  
I got this fear f-f-f  
Of rejection; I can't call you  
Look at me!  
You could be very happy . . .  
Tongue  
You make my face, too  
Thunder and lightning  
You could be very easy . . .  
Your eyes so clear  
And your face goes on and on  
It lasts a long, long time!  
Clear and great  
Clear and great  
Great.
