## **Clear And Great**

## **Throwing Muses**

Your eyes so clear That your face goes on and on Its lasts a long, long time You could be very easy . . . The beast within Can I come to your house? I love to dance I got this fear f-f-f Of rejection; I can't call you Look at me! You could be very happy . . . Tongue You make my face, too Thunder and lightning You could be very easy . . . Your eyes so clear And your face goes on and on It lasts a long, long time! Clear and great Clear and great Great.
