

## Dirty Water

Throwing Muses

I'm the lady who locks the door  
I'm the lady who turns out the light  
Hey, you  
Look at the dirty water  
Look at him  
Look at the dirty water  
And swim  
I'm not looking for anything  
And you don't know  
I'm not digging for anything  
But this hole  
Hey, you  
Look at the dirty water  
Look at him  
Look at the dirty water  
And swim  
Sit at your hole  
You can't afford to go  
Catch what you can  
You can't afford to know  
This man  
Hey, you  
Aren't you the lady?  
Some man  
You look fine  
Don't touch me  
There's history on your hands  
Hey, you  
Aren't I the lady?
