

## Honeychain

### Throwing Muses

My best friend knows this old guy who  
Who keeps a picture in his shoe  
He takes it out after a spell  
Says, see

Shouldn't stare that way so long baby  
Stare holes into the walls  
My dress hangs here for you to wear out  
I walked in beauty too, till I met you

Here hangs this chain  
This thing this old girl keeps  
We got it easy  
So why do you stare that way so long

Stare holes into the walls  
We're all honey  
Dripping through the honey chain  
And lay our lives down

Down and pretty  
In the honey chain  
Please don't stare that way so hard baby  
Stare holes
