Throwing Muses

The Visit

I'm proud to see you here
I can't relieve,
Believe the pressure in my head
It's a game of chance,

I whisper in your ear Fall apart along the way Don't you ever see it through Jesus said in heaven

There's not that much to do I'm proud to see you here I'm proud to be here with you all I have a message from your son

When the ground starts shaking Watch the gifts inside your home I have a feeling many aren't for you Leave your dollars where they fall

They have a message of their own When the ground starts shaking, run Keep on running, Or so says your son

She's a pillar of your home Keep on shaking, or so says your son She's a vice Keep on running

'Til you can't go on
