

Bigger Than Both Of Us

Thunder

I really wanna talk to you about the way we both behave
I really ought to leave you baby but I just can't walk
away
Every time we touch each other the spark reach the
flame
There's a voice that's keeping us together 'til the
grave

Don't you feel the power?
Don't you get that rush?
'Cause it's bigger than both of us

Every time I leave you I can't get on the bus
'Cause it's bigger than both of us
It's bigger than both of us
Oh yeah

I try to be so good to you but we always seem to fight
It doesn't matter what I do it's the same thing every
night
I send you flowers yesterday but they only made you
sneeze
What am I gonna do with you, I'm don't on my knees

Don't you feel the power?
Don't you get that rush?
'Cause it's bigger than both of us

I know you feel that feeling
So don't make a fuss
'Cause it's bigger than both of us
It's bigger than both of us

I can't fight this Hiberts Dream, it's got me in it's
grip
One touch from the look of you just just sends me on a
trip

I'll just take off the strips and walk away I guess
This love ain't nothing like the rest
HAHAHA

Oh, baby, sure it is
We're getting higher baby, we're gonna fly
you know we can't deny
Can you buy it?
Oh

Don't you feel the power?
Don't you get that rush?
'Cause it's bigger than both of us

Every time I leave you I can't get on the bus
'Cause it's bigger than both of us
It's bigger than both of us
Oh yeah
It's bigger than both of us

You can't fight it baby
You can't hide it from me
You know you can't deny it
It's gonna take over
You're powerless to resist it
Do you know why?
I said, Do you know why?
I'll tell you why!
Because it's bigger than both of us
HAHA yes it is
