

She's My Inspiration

Thunder

She makes me sweat with anticipation
She makes me hungrier than any wolf could be
Oh, when she lets her hair hang down
When there's no one else around
I can't believe it's happening to me

She's my inspiration
I've been living in extacy
She's my inspiration
When she lays her hands on me

When i'm far away I can feel her with me
In my darkest hour I think about her face
I don't have to pick up the telephone
'Cause I never ever feel alone
She gets to me in every place

She's my inspiration
Like a life that shines on me
She's my inspiration
I believe she'll set me free
Set me free

You know I feel so good inside
She makes me come to life
I've been living in extacy
She's my inspiration
When she lays her hands on me
She's my, inspiration
She's my, inspiration
She's my, inspiration
Oh yeah
'Cause she's my one and only inspiration
