

Stay With Me

Thunder

HEY

In the morning, please don't say you love me
'Cause I'll only kick you out off these doors
I know your name is Rita
But your best friend's smelling sweeter
Since when i saw you lying on the floor
Get up, get out now

You won't need too much pursueing
'Cause about now seems to break in
No, with a face like yours
You've got nothing to laugh about
Red lips, hair and finger nails
I hear you're a mean old Jessabell
They screw up stance before I get you home

Stay with me, stay with me
Oh, tonight you're gonna stay with me
Stay with me, stay with me
Oh, tonight you're gonna stay with me
Yeah

Take it man
In the morning, please don't say you love me
'Cause I'll only kick you out off these doors
I know your name is Rita
Well your best friend's smelling sweeter
Since when i saw you lying on the floor
Get up, get out now

Stay with me, stay with me
Oh, tonight you're gonna stay with me
Stay with me, stay with me
Oh, tonight you're gonna stay with me
Yeah
