

## Too Scared to Live

Thunder

Don't wanna go out don't know who I'll meet  
Don't wanna breathe that filthy air on the street  
Don't make me burn 'neath that hole in the sky  
I'm too scared to live and I'm too young to die  
Don't get the door it's the man from the bank  
He wants my house but I won't give it back  
Here comes the vultures as I'm starting to try  
I'm too scared to live but I'm too broke to die

Stop smoking, stop drinking  
It's not even safe no more ... sleeping with women

I gave up driving I thought I might crash  
And I can't go private cos I ain't got the cash  
Expensive business this keeping your health  
That's why I'm too scared to live cos I ain't got the wealth

Stop whinging, stop moaning  
But it's hard enjoying life, when I can't do nothing

Can't drink the water can't swim in the sea  
And my television's too corrupting for me  
Then someone told me it's wrong eating meat  
I'm too scared to live and now I'm too scared to eat

I'm so depressed just can't take it no more  
I don't know what I'm even living for  
One thing that keeps me from a suicide  
I'm too scared to live but I'm too scared to die

Keep trying, keep fighting  
That's easy for you to say, but I feel like crying
