

Feathers

Thurston Moore

Hello. Uh, it's Yoshimi, Alec
Wonderful. Alexander
We-er-we-er-we-er
Hello, Hello
It's Yoshimi

I've been told
Camels are gold
But why should I care
When you're so near
Fun and games
So cracked and insane
Alone with you
I breathe the rain

Back and forth
I'd race your horse
Camel is like
A golden Porsche
Fun is you
When your around
Around my heart
The feathers are brown

And I've been told
Camels are gold
But why should I care
When you're so near
Fun and games
So cracked and insane
Alone with you
Feathers and rain
