Thurston Moore

Bow down to the queen of noise  
Crayon eyes draw  
Boys blood pour some of patti's wine  
Blood is love inside  
Auw! melting wax on yr arm  
Crayon teeth draws blood  
Blood soaking up all the light  
Soak me in yr life  
'cause you know  
Blood is gold  
And you go  
All the way  
The way is home  
Home is gold  
And you know  
Yr my soul

Blood is gold  
And you go  
All the way  
The way is home  
Home is gold  
And you know  
Yr my soul, yr my soul, yr my soul  
Ono soul, ono soul  
Ono soul, ono soul  
Ono soul, ono soul  
Ono soul, ono soul  
Ono soul, ono soul  
Ono soul, ono soul  
Ono soul, ono soul  
Ono soul, ono soul  
Ono soul, ono soul  
Ono soul, ono soul
