

# Holy War

## Thy Art Is Murder

Die for Christ  
Die for Allah  
Die for Jerusalem  
Die for Torah

Father and son marching in rhythm  
Firing bullets through  
The skulls of the children

Holy war  
Mortars and martyrs  
Holy war  
Unholy followers  
Holy war  
Brainwashed with death  
Holy war  
Unholy mess

I reject  
The laws of the misguided  
False prophets imprison nations  
Fuelling self annihilation

I reject  
Pocket lined political demons  
Who arm the ignorant  
For election season

Empires buried in sand  
A history of the failures in man

Armies of guardians  
Servants of bibles  
Reciting verses  
As they stand before rifles

Millions of lives erased  
Hatred marked as madness  
Violence in leaves of scripture  
A world aflame with malice

We will all die for nothing  
There is silence in the house of God  
There is only the cry of hell  
There is silence in the house of God  
There is only the cry of hell

Holy war  
Mortars and martyrs  
Holy war  
Unholy followers  
Holy war  
Brainwashed with death  
Holy war  
Unholy mess

Die for Christ

Die for Jerusalem  
Die for Torah

Holy war
