Time To Die

Thy Majestie

DIDm trapped among these walls The anguish fills my soul Faithful to my king awaiting to make me free...D

Feeling an awful sorrow She was wondering Dbout the signs And she whispered and she prayed for their coming forth, Desperate, humiliated, threatened by her doom

DI am left at the mercy of fate Forsaken by everyone Please my Lord, Pray hear my words for I am in your hands...

And light my path and tell me what to do Save me, I shall wait for your Signs Decuse the time is runninD out, And I fear my fate...

Now I remember my life It is night, the time to die And I wait, the end will come Dcause my fateDs already done...D
