

# Scared

Tiago Iorc

Standing outside, looking out for me  
I know I've done nothing wrong  
There's plenty of time for us to see  
Start cleaning up the mess we've done  
We keep on living our lives  
with stupidity  
As if we've got something to lose  
So much selfish tranquility  
Just for the sake  
of trying nothing new

And I  
Think I  
Should be the one  
to make a stand,  
because

Everybody is scared (4x)  
Everybody is scared sometimes (2x)

Time goes by and it seems to me  
It's easy just to come and go  
Well, turns out nothing comes for free  
Our children live the seeds we sow  
Pretend now  
The fire burned out,  
now it's you and me  
Still we've got nothing to lose  
So much selfish tranquility  
Just for the sake  
of trying nothing new

And I  
Think I  
Should be the one  
to make a stand, because

Everybody is scared (4x)  
Everybody is scared sometimes (2x)

Every time I close my eyes  
This pain is killing me  
And I try to take it down  
Put my feet back on the ground  
Just to know you're still with me  
Just remember girl  
Although it's easier to say goodbye  
Feels like a bullet in my heart  
To know we're throwing away the good times, because

Everybody is scared sometimes (2x)  
Sometimes (3x)
