

Via Dolorosa

Tiamat

Drag me down and chain me

This is not what it seems
This ain't no cozy little dream
This ain't mysterious way, no no
This is just another Sunday

I die alone
On Via Dolorosa
I carry my burden alone
On Via Dolorosa
I'm dragged down by stone
On Via Dolorosa
I carry my burden alone
On Via Dolorosa

This ain't no universal mastermind
This ain't no projection of one of a kind
This ain't no religious highway
No, this is just another Sunday
