

## A Faint Illusion

Tides of Man

I know you know.  
Despite your reservations,  
out of everything in this world, I choose you.  
It goes to show, despite our conversations,  
Back when you were just a little girl,  
We had no clue just what we were getting ourselves into.  
We were merely trying something new.

Dissolve myself in you,  
'cause I'm not gonna not gonna give you up.  
No I'm not gonna not gonna give you up  
Cancel myself to feel you,  
'cause I'm not gonna not gonna give you up.  
No I'm not gonna not gonna give you up.

I know you know.  
Despite the implications that we were out of character.  
I always knew just what we were getting ourselves into.  
We were merely trying something new.

Dissolve myself in you,  
'cause I'm not gonna not gonna give you up.  
No I'm not gonna not gonna give you up  
Cancel myself to feel you,  
'cause I'm not gonna not gonna give you up.  
No I'm not gonna not gonna give you up.

When we used to lay ourselves out on the front lawn  
Of their ivory towers,  
We will show our bodies to the world.  
Then we would go home and work on a castle of our own.

You were impatient, I was a fall back.  
A dirty mistake, you never called back.  
You were salvation,  
I never told you I always had a notion  
I would fall in love with you.  
You were a call girl, I was your gentleman  
A faint illusion of your simple plan.  
I was salvation.  
You never told me you always had the notion that you knew  
What we could be.

I know you know.  
Despite your reservation  
Out of everything in this world,  
I choose you.
