

## Close to You

Tiěsto

I wouldn't call it time well spent  
Repeating to myself again  
Find comfort in an endless stream of moments  
I don't even care, about the way I feel today  
Because it changes anyway  
Something will make me cry or smile  
Another picture on my pile

Now I'm standing close to you  
It's just something that I do  
When I need love to be enough  
I wish love could be enough  
'cause there is nothing more appealing  
Than the thought that I could be enough

Do you find solace in the sun?  
Do you consider life as one?  
Do you believe there is a limit  
To how fast a man can run?  
Someone said you're born alive  
Well I don't feel that alive

No I don't feel that alive

I don't feel that alive

Now I'm standing close to you  
It's just something that I do  
When I need love to be enough  
I wish love could be enough

'cause there is nothing more appealing  
Than the thought that I could be enough...enough
