

Don't You Worry Child

Tiffany Alvord

There was a time, I used to look into my father's eyes
In a happy home, I was a queen I had a golden throne
Those days are gone, now the memories are on the wall
I hear the songs from the places where I was born

Up on the hill, across the blue lake,
That's where I had my first heartbreak
I still remember how it all changed
Yeah!

My father said:
Don't you worry, don't you worry child
See heaven's got a plan for you
Don't you worry, don't you worry now

There was a time, I met a boy of a different kind
We ruled the world, I thought I'll never lose him out of sight,
We were so young, I still think of him now and then
I still hear the songs reminding me of a friend

Up on the hill across the blue lake,
That's where I had my first heartbreak
I still remember how it all changed
My father said:
Don't you worry, don't you worry child
See heaven's got a plan for you
Don't you worry, don't you worry now
Yeah!

My father said:
Don't you worry, don't you worry child
See heaven's got a plan for you
Don't you worry, don't you worry now
Yeah!

Don't you worry now
See heaven's got a plan for you
Ooh ooh ooh oh!
