

# Don't You Worry Child

Tiffany Alvord

There was a time, I used to look into my father's eyes  
In a happy home, I was a queen I had a golden throne  
Those days are gone, now the memories are on the wall  
I hear the songs from the places where I was born

Up on the hill, across the blue lake,  
That's where I had my first heartbreak  
I still remember how it all changed  
Yeah!

My father said:  
Don't you worry, don't you worry child  
See heaven's got a plan for you  
Don't you worry, don't you worry now

There was a time, I met a boy of a different kind  
We ruled the world, I thought I'll never lose him out of sight,  
We were so young, I still think of him now and then  
I still hear the songs reminding me of a friend

Up on the hill across the blue lake,  
That's where I had my first heartbreak  
I still remember how it all changed  
My father said:  
Don't you worry, don't you worry child  
See heaven's got a plan for you  
Don't you worry, don't you worry now  
Yeah!

My father said:  
Don't you worry, don't you worry child  
See heaven's got a plan for you  
Don't you worry, don't you worry now  
Yeah!

Don't you worry now  
See heaven's got a plan for you  
Ooh ooh ooh oh!
