Glad You Came

Tiffany Alvord

The sun goes down The stars come out And all that counts Is here and now My uniWill never be the same I'm glad you came

You cast a spell on me, spell on me You hit me like the sky fell on me, fell on me And i decided you look well on me, well on me So let's go somewhere no-one else can see, you and me

Turn the lights out now Now i'll take you by the hand Hand you another drink Drink it if you can Can you spend a little time, Time is slipping away, Away from us so stay, Stay with me i can make, Make you glad you came

The sun goes down The stars come out And all that counts Is here and now My uniwill never be the same I'm glad you came I'm glad you came
