

# Hate To Tell You

Tiffany Alvord

Oh oh  
Yay yeah  
You're walking into dangerous territory  
I see it now, but you don't see the warning  
I tell you what it's best, you do the opposite  
Don't say I never said

I hate to tell you "I told you so"  
But this one I can't let go  
I hate to tell you "I told you so"  
But this one I can't let gooo-ooo-oo  
This one I can't let gooo-ooo-oo  
I hate to tell you, but I told you so

Blind folded by infatuation of the money  
It's screaming out but you push away the signs  
I tell you what I think, but you're not listening  
Don't say I never said

I hate to tell you "I told you so"  
But this one I can't let go  
I hate to tell you "I told you so"  
But this one I can't let gooo-ooo-oo  
This one I can't let gooo-ooo-oo  
I hate to tell you, but I told you

Oh oh, you say you hear me loud and clear  
Oh oh, you're walking right into and dry my tear  
Oh oh, stop before you look back with regret  
Just don't say I never said, oh oh

I hate to tell you "I told you so"  
But this one I can't let go  
I hate to tell you "I told you so"  
But this one I can't let gooo-ooo-oo  
This one I can't let gooo-ooo-oo  
I hate to tell you, but I told you so
