

# Legacy

Tiffany Alvord

Ah ah, woaah ah  
Ah ah, woaah ah

We're young and the night is as well  
All our secrets make dollar bills  
So we're counting change on the hood  
On a car that is parked in the woods  
Leave the door open just a crack  
Take the keys, they're under the mat  
Chasing hearts 'cause love never sleeps, oh

This is my legacy, I want the world to see  
I am invisible, oh oh oh, oh oh oh  
This is my legacy, no way to rupture me  
I am invisible, oh oh oh, oh oh oh, ooh oh

Ah ah, woaah ah  
Ah ah, woaah ah

Wake up in the morning on the right side  
Rents late from pay, that's my life  
Ain't no cares, I go with the flow  
Getting gas going fast, you know  
Got these good vibes writing on my back  
Don't need to say where I go, where I'm at  
'Cause I can take it from here

This is my legacy, I want the world to see  
I am invisible, oh oh oh, oh oh oh  
This is my legacy, no way to rupture me  
I am invisible, oh oh oh, oh oh oh, ooh oh

(Ah ah, woaah ah  
Ah ah, woaah ah)  
This is my legacy, oh oh  
I'm invisible, oh  
This is my legacy  
Don't you interrupt me

Ah ah, woaah ah  
Ah ah, woaah ah  
Ah ah, woaah ah  
Ah ah, woaah-ah-oaah-ah-oaah-ah

This is my legacy, I want the world to see  
I am invisible, oh oh oh, oh oh oh  
This is my legacy, no way to rupture me  
I am invisible, oh oh oh, oh oh oh, ooh oh

(Ah ah, woaah ah  
Ah ah, woaah ah)  
This is my legacy, oh oh  
I'm invisible, oh  
This is my legacy  
Don't you interrupt me
