

# Never Lover Boy

Tiffany Alvord

He was my first crush  
the one I wanted so much  
He made my heart sing  
And eventually he was my everything  
But he had his sight set  
on some other girl  
And I had my hopes high  
Wishin' I could be his world

But I was just another girl  
to fall for him,  
Just another heart broken  
He didn't care  
about what I felt or said  
He wanna see what  
he could get  
I was just another girl  
to fall for him  
Just another heart broken  
Now I know that  
he's just another boy  
My never never lover boy

Yes I saw the warning  
but I wanted him I'd do anything  
But when I saw it coming  
You know I started started  
Runnin' a runnin' a runnin' away  
I gotta I gotta a get away  
A runnin' a runnin' a runnin' away  
sorry baby I can't stay  
Runnin' a runnin' a runnin' away  
I gotta I gotta get away  
A runnin' a runnin' a runnin' away  
Goodbye baby

But I was just another girl  
to fall for him,  
Just another heart broken  
He didn't care  
about what I felt or said  
He wanna see what  
he could get  
I was just another girl  
to fall for him  
Just another heart broken  
Now I know that  
he's just another boy  
My never never lover boy

So I turn arund  
and what do I see  
He's in love with a girl  
and the girl ain't me  
I can't believe  
he would just used me  
He lost his chance

and now he's  
gonna lose me

Cuz I was just another girl  
to fall for him,  
Just another heart broken  
He didn't care  
about what I felt or said  
He wanna see what  
he could get  
I was just another girl  
to fall for him  
Just another heart broken  
Now I know that  
he's just another boy  
My never never lover boy
