

# Secrets

Tiffany Alvord

I need another story  
Something to get off my chest  
My life gets kinda boring  
Need something that I can confess

'Til all my sleeves are stained red  
From all the truth that I've said  
Come by it honestly I swear  
Thought you saw me wink, no  
I've been on the brink, so

Tell me what you want to hear  
Something that were like those years  
I'm sick of all the insincere  
So now I'm gonna give all my secrets away

This time  
Don't need another perfect line  
Don't care if critics ever jump in line  
I'm gonna give all my secrets away

Oh my  
Amazing that we got this far  
It's like we're chasing all those stars  
Who's driving shiny big black cars

And everyday I see the news, all the problems that we could solve  
And when a situation rises, just write it into an album  
Seen it straight to go  
I don't really like my flow, no, so

Tell me what you want to hear  
Something that were like those years  
I'm sick of all the insincere  
So now I'm gonna give all my secrets away

This time  
Don't need another perfect line  
Don't care if critics ever jump in line  
I'm gonna give all my secrets away

Got no reason, got not shame  
Got no family I can blame  
Just don't let me disappear  
I'ma tell you everything

So tell me what you want to hear  
Something that were like those years  
I'm sick of all the insincere  
So now I'm gonna give all my secrets away

This time  
Don't need another perfect line  
Don't care if critics ever jump in line  
I'm gonna give all my secrets away

I'm gonna give all my secrets away

I'm gonna give all my secrets away
