

The One That I Adore

Tiffany Alvord

You tell me that I'm beautiful,
You tell me I'm your angel
And you say, that you want me to be with you
And you say, that you want me to be yours

And you, are the one that I adore,
The one that I'm fallin for
You, give me feelings I can't describe
And you, are the one deep inside
The one I dream about at night,
You, You, are the one... on my mind

You tell me I'm your sweetheart
You tell me I'm your baby
And you say, that you love talkin to me
And you say, that you wanna be with me

And you, are the one that I adore,
The one that I'm fallin for
You, give me feelings I can't describe
And you, are the one deep inside
The one I dream about at night,
You, You, are the one... on my mind

Just say you love me, say it now
I know that is how you feel, baby, baby
Yeah, hesitation holdin back,
I know that you want me bad
So just come get me, say you need me
Don't look through me, just believe me

Cause you, are the one that I adore,
The one that I'm fallin for
You, give me feelings I can't describe
And you, are the one deep inside
The one I dream about at night,
You, You, are the one... on my mind
