

# Are You Lonely Tonight

Tiffany Darwish

Are you lonely tonight  
and do you still miss me  
Are you lonely tonight  
I need you to kiss me

When you turn out the light  
Do you think of me

I remember when you used to walk me home  
you were my closest friend  
I was your only one  
Now when I sleep at night  
I Dream about you and me

Why must we stand behind  
This wall of foolish pride  
When there's no right or wrong...

I never give you up  
Coz this is really love  
No matter what  
Nothing can stop  
Feelings so strong

Are you lonely tonight  
And do you still miss me  
Are you lonely tonight  
I Need you to kiss me  
When you turn out the lights, do you think of me?

When we were going out  
Almost every night  
I never had a doubt  
We never had a fight  
Until some jealous words  
Came between you and me

Why can't you let it go  
Come back and hold me close  
Before the feeling dies...  
Coz all the games we play  
Just takes our love away

Want you to say  
This time you'll stay  
with me forever!

Are you lonely tonight  
And do you still miss me  
Are you lonely tonight  
I Need you to kiss me  
When you turn out the lights, do you think of me?

Na na na na na na na  
Na na na na na na na...

Are you lonely tonight

And do you still miss me  
Are you lonely tonight  
I need you to kiss me  
When you turn out the lights, do you think about me?

Are you lonely tonight...
