

# As I Am

Tiffany Darwish

I'm a little broken  
I'm a lot confused  
I'm very tired and I've got nothing to lose  
All I want to know is  
Can you take me as I am  
You've been searching  
You've tested my love  
You've been pushing hard to see what I am made of  
And all I want to know is  
Can you take me as I am  
I can't close my eyes  
Without seeing your face  
And I know if you left  
There'd be an empty space  
And my life  
I gave to you  
My body and my soul  
And now you tell me you don't love me anymore  
And you don't understand what I'm crying for  
Oh but please  
Don't leave me  
Don't leave me  
As I am  
And I'm not perfect  
I don't know what that means  
I've been working hard  
On what I thought were our dreams  
I guess I gotta know this  
Just to where do I stand  
I can't close my eyes  
Without seeing your face  
And I know if you left  
There'd be an empty space  
And my life  
I gave to you  
My body and my soul  
And now you tell me you don't love me anymore  
And you don't understand what I'm crying for  
Oh but please  
Don't leave me  
Don't leave me  
As I am  
Oh but please  
Don't leave me  
As I am  
I'm a little broken  
I'm a lot confused  
I'm very tired and I've got nothing to lose  
All I want to know is  
Can you take me as I am
