

# Back In The Groove

Tiffany Darwish

Back in the groove now  
I'm so glad we're back together  
Back in the groove now  
Want your love forever

Couldn't sleep at night  
I'd hold my pillow so tight  
I was wondering why  
When all I wanted was my guy  
Just when I thought that I'd lose my baby  
He came to save me  
Every tear that I cry  
Everyday that went by  
Will be no more

Back in the groove now  
I'm so glad we're back together  
Back in the groove now  
And I want your love forever

I couldn't eat  
Without your love, I was so weak  
But now that you're here, my darlin'  
I have no fear

Just when I thought that I'd lose my baby  
He came to save me, yeah  
Everyday that went by  
Every tear that I cry  
Will be no more

Back in the groove now  
So glad we're back together  
Back in the groove now  
And I want your love forever

Back in the groove now  
So glad we're back together  
Back in the groove now  
And I want your love forever

All the guys in the world  
Couldn't take me away  
From being his girl  
I'm so crazy 'bout you baby  
A broken heart will be no more

I just wanted to say  
That I'm so glad that we're back together again  
And the only other thing I have to say  
That I want your love forever  
I want your love forever

Back in the groove now  
So glad we're back together  
Back in the groove now  
And I want your love forever

Back in the groove now  
So glad we're back together  
Back in the groove now  
And I want your love forever
