

Heaven Is A Place On Earth

Tiffany Darwish

ooh heaven is a place on earth
ooh heaven is a place on earth
they say in heaven
'love comes first'
well make heaven
a place on earth

When the night falls down
I wait for you and you come around
And the worlds alive
With the sounds of kids on the street outside
When you walk into the room
You pull me close now it's time to move
And we're spinning with the stars above and you lift me up
In the world above

ooh heaven is a place on earth
ooh heaven is a place on earth
they say in heaven
'love comes first'
well make heaven
a place on earth

When I feel alone
I reach for you and you bring me home
When I'm lost at sea
I hear your voice and it carries me
In this world we're just beginning
To understand the miracle of living
Baby I was afraid before I'm not afraid anymore...

ooh heaven is a place on earth
ooh heaven is a place on earth
they say in heaven
'love comes first'
well make heaven
a place on earth

heaven..
heaven..
heaven..

In this world we're just beginning
to understand the miracle of living
baby I was afraid before, I'm not afraid anymore

heaven..

ohh heaven is a place on earth (5x)...
