

I Don't Know What You Got

Tiffany Darwish

I don't know what you got
But it got me
I don't know what you need
But I hope it's me

I lay awake at night
And I can't sleep, oh yeah
Coz every time I think of you
My heart is like a house on fire
I'm burning up with sweet desire

Maybe it's the way that you move
Maybe it's your carefree attitude
Could it be your tender smile
That's got me screaming like a hungry child

I don't know what you got but it got me (oh baby!)
I don't know what you need but I hope it's me
I lay awake at night and I can't sleep

Coz every time I close my eyes
I hear your voice call my name
My heart is beating like the pounding rain

Maybe it's the way you kiss goodnight
Maybe it's the way you wrap me up so tight
Maybe it's the things that you say
That makes me want you night and day

I can feel the power
Of a mighty mighty mighty love
Well, I could stay with you forever
And still not get enough!

I don't know what you got
I don't know what you got
I don't know what you got

Every time I think of you
My heart is like a house on fire
I feel the heat of sweet desire

I don't know what you got but it got me, oh yeah
I don't know what you want but I hope it's me
My heart is like a house on fire
I'm burning up with sweet desire

I don't know what you got but it got me (oh baby!)
I don't know what you want but I hope it's me
My heart is like a house on fire
I'm burning up with sweet desire...
