

# New Year's Day

Tiffany Darwish

Yeah

All is quiet on new year's day  
A world in white gets underway  
I want to be with you  
Be with you night and day  
Nothing changes on new year's day  
On new year's day

I will be with you again  
I will be with you again

Under a blood red sky  
A crowd has gathered in black and white  
Arms entwined, the chosen few  
The newspapers says, says  
Say it's true it's true...  
And we can break through  
Though torn in two  
We can be one

I, I will begin again  
I, I will begin again

Oh  
Maybe the time is right  
Oh maybe tonight

I will be with you again  
I will be with you again

And so we're told this is the golden age  
And gold is the reason for the wars we wage  
Though I want to be with you  
Be with you night and day  
Nothing changes  
On new year's day  
On new year's day
