

# Out Of My Heart

Tiffany Darwish

Baby, I'm lyin' all alone  
Feelin' so much stronger  
Now that you're no longer my love  
Baby, I'll get over you  
Cryin' all my tears until  
The dangers disappear  
And now I tore up your letters  
Took your picture off the shelf  
I won't keep hanging on  
If I can't have you to myself

Get out of my heart  
Get out of my life  
Although I need you now  
It hurts too much to see you now  
So get out of my heart  
Get out of my life  
Don't think I miss the way  
You held me in your arms so tight

Baby, I hope you're satisfied  
You tore my heart in two  
So why do I keep wanting you?

Now, baby, don't apologize  
I can't believe you anymore  
You lied so many times before  
My friends all tell me  
That our love is really through  
It's all just say  
'cause they've never been alone with you

So get out of my heart  
Get out of my life  
Although I need you now  
It hurts too much to see you now  
So get out of my heart  
Get out of my life  
Don't think I miss the way  
You held me in your arms so tight

Oh, baby, oh

You can't come back  
Now, it's over  
I may sleep a little colder  
I've taken all that I can take  
I've hurt enough  
And now I'm better off  
Get out of my heart

My friends all tell me  
That our love is really through  
It's all just say  
'cause they've never been alone with you

So get out of my heart

Get out of my life  
Although I need you now  
It hurts too much to see you right now  
Get out of my heart  
Get out of my life  
Don't think I miss the way  
You held me in your arms so tight

Out of my heart  
Out of my life

Oh, get out of my heart, yeah  
Oh, get out of my heart  
Get out of my life
